## [CLICK HERE FIRST](#)

1. Enter the Email address used for PGN member communications
2. Click “Reset Password” on the library page...this will send an email to your inbox with further instructions.

### **Then, follow these steps:**

1. Go to your email inbox and find the email with the **Subject Line: “Reset Your Password”**. It is coming from AllisonMaslan@PinnacleGN.com. Sometimes this may end up in a random folder, so please take a look in spam, junk, promotions, etc.
2. Click the link at the bottom of that email - “Click Here” to choose your private password. This is a password you choose and private to you. Type in the password you would like to use.
3. Click “Log In”
4. Once you see the “Member Directory” in the top right and there is a circle next to it, hover over the circle with the Human Icon and you will see “Edit Profile”.
5. Please upload an image....
6. Some fields are required to continue so PLEASE fill out all the fields with an asterisk.
7. When filling in your website: You will need to use https:// and then your website

### **!!VERY IMPORTANT!!**

Do NOT bookmark the URL from there. You will need to bookmark and login from the main PGN Library page (which is different then when you set up your password).

**The URL to login after your password is set up is:**

**<https://library.pinnacleglobalnetwork.com>**.

*This is the one to bookmark for regular access.*

Below are two short Loom recordings to aid you in this process.
